9. Reason for Service:  
**I responded to Barnegat Township Police Department due to complaints of the instrument only printing evidential tests through the internal printer.**

10. Comments:  
**On June 4, 2025 I arrived at Barnegat Township Police Department to inspect the Alcotest 9510 (Serial number ARMK-0008) due to the Alcotest 9510, when utilized for an evidential test, will only print from the internal printer and not save the internal memory.**  
  
**I reset both the Alcotest and printer and ran an evidential sample, which did not fix the issue (Sequential file # 187 and 188). I utilized a different printer cable which yielded the same result.**  
  
**The instrument was placed out of service at this time and returned to Draeger Inc. for evaluation.**
